

# CAHMI's Early Childhood Cycle of Engagement

A project of the Child & Adolescent Health Measurement Initiative

Your Child, Your Well Visit

## Make the Most of Your Child's Well Visits Using the Early Childhood Cycle of Engagement (EC\_COE)!

The Well Visit Planner and PHDS are mobile-optimized and are available in both English and Spanish!

### How does it work? ►

- ✓ Take 10 minutes to complete the online **Well Visit Planner® (WVP)**
- ✓ Get and share your **personalized Well Visit Guide**.
- ✓ Complete the brief **Promoting Healthy Development Survey (PHDS)** to give and get feedback on how things went!

Our practice will be using the EC\_COE for well-child visits for children up to age six.

Well Visit Planner®

#### Well Visit Planner (WVP)

A 10-minute pre-visit planning tool to personalize your care

#### Personalized, Connected Encounter (PCE)

Partner with your provider to meet your child and family's needs and priorities

The Online Promoting Healthy Development Survey

#### Online Promoting Healthy Development Survey (PHDS)

A post-visit quality assessment to help us improve!

### How Do I Get Started?

Try it out at [www.wellvisitplanner.org](http://www.wellvisitplanner.org) and [www.onlinephds.org](http://www.onlinephds.org).

Use this link to complete the Well Visit Planner prior to your child's next well visit: [www.wellvisitplanner.org/CUSTOMIZEDURL](http://www.wellvisitplanner.org/CUSTOMIZEDURL). You may also scan the QR code to the right.

Thank you for partnering with us to improve your child's well visit care!
